Highlights

Extremely compact design

The compact panel design of this antenna allows easy placement indoor or outdoor.

Various mounting options

Various mounting options (mast, wall and railing) are available for this antenna to allow you to position it easily at home.

Weatherproof & paintable

Weather resistant, paintable surface to match your indoor or outdoor decor.

Noise reduction filter

Noise reduction filter to protect against signal loss

16dB amplification

Up to 16dB amplification boosts weak signals, expanding your reception range and allowing you to receive more signals over a greater distance.
