- Backlight color: white

## Power

- Battery voltage: 1.5 V
- Number of batteries: 6
- Battery type: AA size (LR6)
- Power type: AC Input

## Accessories

- Cables/Connection: AC-DC adapter
- Others: Quick start guide, User Manual
- Warranty: Warranty Certificate

## Dimensions

- Gross weight: 0.884 kg
- Packaging depth: 90 mm
- Packaging height: 133 mm
- Packaging width: 317 mm
- Weight: 0.65 kg
- Main unit depth: 45 mm
- Main unit height: 104 mm
- Main unit width: 200 mm

# Highlights

## DAB

DAB (Digital Audio Broadcasting) digital radio is, on top of FM analog transmission, a new way of broadcasting radio via a network of terrestrial transmitters. It provides listeners with more choices and information delivered in clear and crackle-free sound quality. The technology allows the receiver to lock on to the strongest signal it can be find. With DAB digital stations there are no frequencies to remember, and sets are tuned by station name, so there is no returning on the move.

## Quick scan of DAB stations

DAB (Digital Audio Broadcasting) digital radio is, on top of FM analog transmission, a new way of broadcasting radio via a network of terrestrial transmitters. It provides listeners with more choices and information delivered in clear and crackle-free sound quality. The technology allows the receiver to lock on to the strongest signal it can be find.
