## True Wireless Headphones

Earbuds with a comfortable fit Super-small charging case, IPX4 splash/sweat resistant, Up to 18 hours play time

# Highlights

### Secure, comfortable in-ear fit

These comfortable earbuds fit securely into your ear canals, creating a perfect seal that diminishes external noise. Hear every beat and word! Enjoy real comfort with three sizes of soft, interchangeable silicone ear-tip covers.

### Super-small charging case

This super-small case gives you real power in a tiny package. Fully charged, the headphones give you 6 hours play time and a fully charged case adds 12 hours more. For a quick boost,

charge your headphones for 15 minutes and get an extra hour!

### IPX4 splash/sweat resistant

An IPX4 rating and powerful 6 mm drivers let you enjoy great sound in any weather! The headphones are splash resistant and won't mind a little rain or sweat so you don't need to worry about getting caught in a shower.

### Easy control and pairing

Integrated controls on the earbuds let you pause your music, take calls and wake your phone's voice assistant at the touch of a button. Once paired, the headphones will reconnect with your phone as soon as you take them out of the charging case.

### Mono mode for calls

Taking a lot of calls? You can double your talk time by using one earbud while the other one

TAT1207BK/00

charges. The mic is automatically assigned to the earbud you're using so simply swap over when your current earbud runs low on battery.

### 3 extra pairs of ear tips

3 extra pairs of silicone ear tips (large, medium, small)
