# 1 Safety and notice

Read and understand all instructions before you use this product. If damage is caused by failure to follow the instructions, the warranty does not apply.

## Safety

This 'bolt of lightning' indicates uninsulated material within the device may cause an electrical shock. For the safety of everyone in your household, please do not remove the covering.

The 'exclamation mark' calls attention to features for which you should read the enclosed literature closely to prevent operating and maintenance problems.
WARNING: To reduce the risk of fire or electric shock, the device should not be exposed to rain or moisture and objects filled with liquids, such as vases, should not be placed on the device.
CAUTION: To prevent electric shock, fully insert the plug. (For regions with polarized plugs: To prevent electric shock, match wide blade to wide slot.)
Only use attachments/accessories specified by the manufacturer.
The product shall not be exposed to dripping or splashing.
Do not place any sources of danger on the product (e.g. liquid filled objects, lighted candles).

Modification of the product could result in hazardous radiation of EMC or other unsafe operation.

⚠️ **Warning**

- Never remove the casing of this product.
- Never lubricate any part of this product.
- Never place this product on other electrical equipment.
- Keep this product away from direct sunlight, naked flames or heat.
- Ensure that you always have easy access to the power cord, plug or adaptor to disconnect the product from the power.
- Where the mains plug or an appliance coupler is used as the disconnect device, the disconnect device shall remain readily operable.

## Compliance

$\mathsf{C} \mathsf{E}$

This product complies with the radio interference requirements of the European Community.

**Class II equipment symbol:**

This symbol indicates that this product has a double insulation system.
Any changes or modifications made to this device that are not expressly approved by WOOX Innovations may void the user's authority to operate the equipment.

📄 **Note**

- The type plate is located on the bottom of the product.

# Care of the environment

**Environmental information**

All unnecessary packaging has been omitted. We have tried to make the packaging easy to separate into three materials: cardboard (box), polystyrene foam (buffer) and polyethylene (bags, protective foam sheet.)

Your system consists of materials which can be recycled and reused if disassembled by a specialized company. Please observe the local regulations regarding the disposal of packaging materials, and old equipment.

Your product is designed and manufactured with high quality materials and components, which can be recycled and reused.

When this crossed-out wheeled bin symbol is attached to a product it means that the product is covered by the European Directive 2002/96/EC.

Please inform yourself about the local separate collection system for electrical and electronic products.

Please act according to your local rules and do not dispose of your old products with your normal household waste. Correct disposal of your old product helps to prevent potential negative consequences for the environment and human health.

# Copyright

This item incorporates copy protection technology that is protected by U.S. patents and other intellectual property rights of Rovi Corporation. Reverse engineering and disassembly are prohibited.

Specifications are subject to change without notice. WOOX reserves the right to change products at any time without being obliged to adjust earlier supplies accordingly.

# Warranty

- Never attempt to repair the product, this could lead to the risk of injury, damage to the product and will void your warranty.
- Use the product and accessories only as intended by the manufacturer. The caution sign printed on the back of the product indicates risk of electric shock.
- Never remove the cover of the product. Always contact our Customer Support for service or repairs.
- Any operation expressly prohibited in this manual, or any adjustments and assembly procedures not recommended or authorized in this manual shall void the warranty.

# Trademark notice

Philips and the Philips' Shield Emblem are registered trademarks of Koninklijke Philips N.V. and are used by WOOX Innovations Limited under license from Koninklijke Philips N.V.''

HDMI, and HDMI logo and High-Definition Multimedia Interface are trademarks or registered trademarks of HDMI licensing LLC in the United States and other countries.

## Auto standby

If there is no button press or media play on **HMP2500T** for three hours, **HMP2500T** can switch to standby mode automatically to save power. On the remote control, press **SETUP**. Go to ⏻ to switch on **[Auto Standby]**.

# 4   Play from DVB services

## First-time setup

The first time you use **HMP2500T**, do the following setup:

```
          Installation Guide
 OSD Language        ◄  English        ►
 Country                England
 Channel Search

   EXIT EXIT           OK Confirm       ◄◆►
```

**1**   In **[OSD Language]**, select the language for the onscreen menus.

**2**   In **[Country]**, select the country of your current location.

**3**   In **[Channel Search]**, press ► or **OK** to start auto search.

  ↳   **HMP2500T** starts to search for available services.

  ↳   When the auto search is complete, the first TV service starts to play.

## Auto search

When you move to a new place (such as a new city or country), restart auto search for better reception.

**1**   On the remote control, press **SETUP**.

**2**   Go to ☐ and select **[Auto Search]**.

  ↳   **HMP2500T** starts to search for available services.

  ↳   When the auto search is complete, the first TV service starts to play.

### Manual search

You can search for services by channel number or frequency.

1   On the remote control, press **SETUP**.

2   Go to ◘ and select **[Manual Search]**.

## Tune in to TV/radio services

1   On **HMP2500T**, switch to the TV or radio mode.
    - On the remote control, press **TV / RADIO** repeatedly.
      - ↪ You switch to the last played service.

2   **To tune in to a service by channel,**
    - Press ▲ (**CH+**) / ▼ (**CH-**), or
    - Use the numeric keys **0-9** to enter channel numbers.

    **To tune in to a service by service information,**
    - Press **EPG**. Press ◀ ▶ to switch between services.

    **To tune in to your favorite services,**
    - Press **FAV**.

### Select from the list of services

1   In the **TV** or **Radio** mode, press **EPG**.
    - ↪ You can select from the list of available TV/ radio services.

2   Press ◀ ▶ to switch between services.

**Sort services in the EPG**

To display services as needed, you can sort the services in different ways.

1   On the remote control, press **SETUP**.

2  Select 📖 > **[Sort]**:

**[By LCN]**: Services are sorted by Logical Channel Number (LCN).

**[By ONID]**: Services are sored by Original Network ID (ONID).

**[By Service Name]**: Services are sorted by service name.

**[By Service ID]**: Services are sorted by service ID.

3  Press ◄► to switch between options.

## Create a list of favorites

On the remote control, press **FAV**. You can access the services that you have added to the list of favorites.

### To add/ remove a service

1  On the remote control, press **SETUP**.

2  Select 📖 > **[Program Edit]**.

- Enter your password (000000 by default).
  - ↳ A list of services is displayed.

3  To add a service,

- Select a service. Press **FAV**.

  ↳ A pop-up screen is displayed for you to select the program type.

  ↳ The Favorite icon is added next to the service.

4  To remove the service,

- Select the service. Press **FAV** again.

  ↳ The Favorite icon is removed.

#### To access a favorite service

1  On the remote control, press **FAV**.

  ↳ A pop-up screen is displayed for you to select a service.

2  To switch between program types, press ◀ ▶.

3  To select a service, press ▲ ▼ ◀ ▶ and **OK**.

### Re-assign channel numbers

1  Switch off the logical channel number (LCN).

  ① On the remote control, press SETUP.

  ② In 📖 > LCN, press ◀ ▶ to select [Off].

2  Move a service to the channel number that you want to assign:

  ① In 📖 > [Program Edit], select a service.
     Enter your password (000000 by default).

  ② On the remote control, press the Red button.
     ↳ The Move icon is added next to the service.

  ③ Press ▲ / ▼ to move the service.

  ④ To stop moving, press the Red button again.
     ↳ The Move icon is removed.

## Edit the program list

By editing the program list, you can lock services, skip services, or change the service name.

1   On the remote control, press **SETUP**.
2   Select 📖 > **[Program Edit]**.
  •   Enter your password (000000 by default).
      ↳   A list of services is displayed.
      ↳   You can edit the program list as needed.

### Lock a service

You can set a password for some services.

1   Select a service.
2   Lock the service:
  •   On the remote control, press the Yellow button.
      ↳   The Lock icon is added next to the service.
      ↳   To watch the locked service, enter your password (000000 by default).

3   To unlock the service:
  •   Select the service. Press the Yellow button again.

# Use the Electronic Program Guide (EPG)

With the Electronic Program Guide (EPG), you can get the information about current and upcoming programs, such as introduction and schedules.
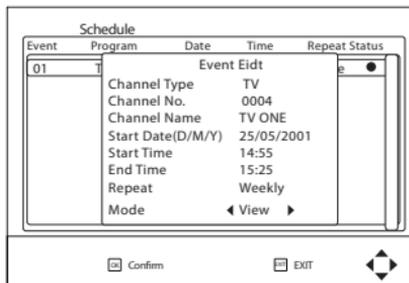

## Create your watching /listening schedule

With the EPG, you can create a schedule for the TV/ radio programs that you want to watch or listen to.

1 Go to the EPG.
   • On the remote control, press **EPG**.
   • Alternatively, press **SETUP**, and then, select 📖 > **EPG**.

2 Select a program:
   (1) Press ◀ ▶ to select a service.
   (2) Press ▲ / ▼ to navigate through the programs.

```
                    Program Guide

  **[Record Device]** > **[Timeshift Size]**: Set the storage size that you want to use to record TV/radio programs. Make sure that there is enough free space on the USB storage device.
- **[Format]**: File system on the USB storage device.

# 7 Update the firmware through a USB storage device

1. On your computer, do the following:
   1. Go to www.philips.com/support to find the latest firmware.
   2. Search for your model and click on "Software and drivers".
   3. Download the firmware update and save the file to the root directory of a USB storage device.

2. On **HMP2500T**, do the following:
   1. Connect the USB storage device.
   2. On remote control, press SETUP, and then, select ✿ [System] > [Software Update] > [USB Upgrade].
      → If a firmware update is detected, you are prompted to start the update.
      → **HMP2500T** restarts automatically and then, the update starts.

3. Follow onscreen instructions to complete the update.
   → When the update is complete, **HMP2500T** switches off automatically.

---

### ⚠ Caution

• Keep **HMP2500T** powered on and the storage device mounted before the firmware update is complete.

# 8 Specification

---

**Note**

- Specification and design are subject to change without notice.

---

### AC power
Voltage information is printed on the bottom of HMP2500T.

**Power consumption** 9 - 9.5 W

**Power consumption in standby mode** < 0.5 W

### Supported formats:
- Video: MPEG 1/2, H.264, MPEG 4, Xvid (1.00, 1.01, 1.03, 1.10-beta1/2), JPEG, DAT, MPG, MPEG, TS, TRP, TP, M2TS, VOB, MP4, MKV, AVI, DMF (0, 1, 2,), Motion JPEG
- Audio: Dolby Digital, MPEG Audio, AC3, EAC3, AAC, HEAAC, LPCM, IMP/MS ADPCM, LBR, MP3, M4A
- Picture: JPEG, PNG, BMP

### HDD & USB support
- NTFS, FAT32, FAT16
- USB MSC support
- HDD: up to 1TB, USB 2.0; External power: Not required for 1.8'' or 2.5'' HDD

### Subtitle support
- .srt, .sub, .smi, .ssa, idx+.sub

### Video
- HDMI output: 480i, 480p, 576i, 576p, 720p, 1080i, 1080p
- Component video output for PAL TV system: 576i, 576p
  Component video output for NTSC TV system: 480i, 480p

### Audio
- Signal to noise ratio (1 kHz): > 90 dB (A-weighted)
- Dynamic Range (1 kHz): > 80 dB (A-weighted)
- Frequency response: +/-1 dB

### Main Unit
- Dimensions (L x W x H): 180 x 113 x 45 mm
- Net Weight: 0.48 Kg
