SHB8850NC

Tune out the world, tune in to clear, natural sound

The SHB8850NC means no wires no noise and no compromise. Immerse yourself in music with advanced SoundShield active noise canceling technology. Connect wirelessly with NFC one-tap pairing, and take control with smart touch sensing earpads.

Art of Noise Cancellation

- ActiveShield™ noise canceling reduces noise by up to 97%
- Zero hiss to ensure uninterrupted enjoyment

Clear & natural sound

- 32mm neodymium speaker drivers deliver precision sound
- Bluetooth 4.0 with built-in AAC
- Soft ergonomic cushions for long wearing comfort

Make life more convenient

- Convenient hands-free calling with mic and Bluetooth® 4.0
- Control calls, music and volume with earshell switches
- Simple NFC one-tap pairing
- Rechargeable battery offers up to 16 hours of wireless music
- Multi-point plays music and calls on two devices at once
- Activate Siri and Google Now with a press on earcan button
- Extra audio cable means music can continue without power

PHILIPS

Wireless noise cancelling headphones
40mm drivers/closed-back On-ear, Soft ear cushions

SHB8850NC/27

Highlights

32mm high definition drivers

Finely tuned 32mm neodymium drivers combined with a closed-back acoustic system design and on-ear sealing provide an excellent and impressive precision sound.

Extra audio cable included

Unlike most noise cancellation headphones, the headphones work with or without battery to consistently deliver excellent audio in any environment. If the battery runs out, simply plug in the audio cable and continue enjoying your favorite music.

Handsfree calls

Convenient hands-free calling with mic and Bluetooth® 4.0

High quality Bluetooth 4.0

Enjoy high quality wireless sound with Bluetooth 4.0 in combination built-in AAC.

Multi-point

Multi-point allows you to connect your Philips Bluetooth headphones with two Bluetooth-enabled devices simultaneously. Simply pair up the two devices to enjoy movies and music while effortlessly taking calls in between.

Rechargeable battery

Enjoy 16 hours of continuous music playback even with Bluetooth and Active Noise Canceling on, 28 hours when only Bluetooth is on and 33 hours when only ANC is on.

Simple NFC pairing

Simple NFC pairing lets you connect your Bluetooth® headphones with any Bluetooth-enabled device – with just a single touch.

Button controls

Button controls at the right earshell enable you to control music and calls with a press.

Soft ergonomic cushions

Soft ergonomic cushions for long wearing comfort

ActiveShield™

ActiveShield™ active noise canceling technology features two feed-backward microphones used for canceling low frequencies. It detects ambient noise and inverting the sound wave, effectively cancelling it out and converting background noise to silence.
