A

DC 15V

B

C

Power adapter
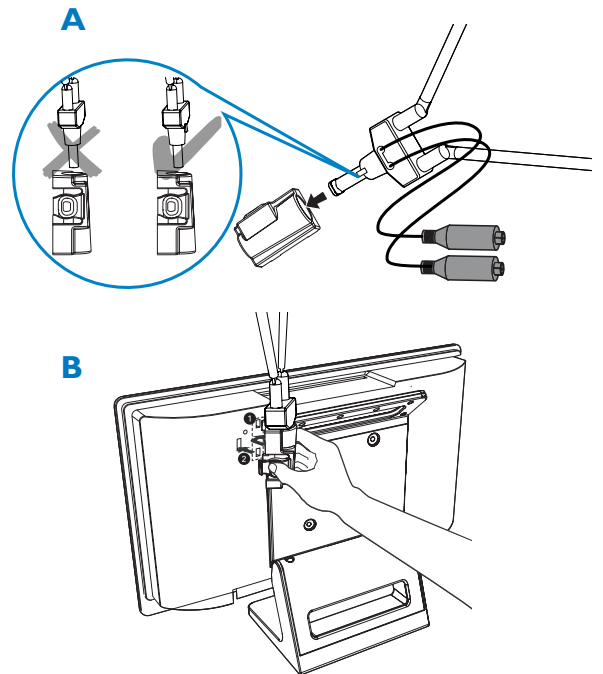

Insert the supplied TV/FM antenna into the supplied antenna holder, then fix the antenna holder to the back of the set.

Step B *Enjoy*

Playing a disc

1

Press **STANDBY -ON** ⏻ (⏻ on the remote) to power on from the standby mode. The standby lamp lights green from red.

2

Press **SOURCE** once or more (**DISC** on the remote) to select disc mode.

3

Insert a disc with the print side facing toward the system's LCD screen. Maker sure you have removed any other disc from the loader before inserting a disc.

4

Playback will start automatically. If not, press ▶ II.

5

To stop playback, press ■.

Watching TV on your MCL888

1   Press **STANDBY -ON** ⏻ (⏻ on the remote) to power on from the standby mode. The standby lamp lights green from red.

2   Press **SOURCE** once or more (**TV** on the remote) to select TV mode.

3   Press and hold **PROG** (**PROGRAM** on the remote) until a displayed channel number starts running to auto search and store all the TV channels.

4   Press **CHANNEL -, +** (**CH +/-** (◄ / ►) on the remote) to select your desired TV channel.

Tips
- To improve TV reception, connect the supplied TV/FM antenna or other TV antenna to the TV antenna jack on the bottom of the set.
- To watch CATV, connect the CATV cable (not supplied) to the TV antenna jack on the bottom of the set.

Programming and tuning to radio stations

1   Press **STANDBY -ON** ⏻ (⏻ on the remote) to power on from the standby mode. The standby lamp lights green from red.

2   Press **SOURCE** once or more (**TUNER** on the remote) to select tuner mode.

3   Press and hold **PROG** (**PROGRAM** on the remote) until a displayed frequency starts running to auto search and store 20 FM radio stations in order of waveband reception strength.

4   Press **CHANNEL -, +** (**CH +/-** (◄ / ►) on the remote) to select your desired radio station.

Tip
To improve FM radio reception, connect the supplied TV/FM antenna to the FM antenna jack on the bottom of the set

Tip
Detailed playback features and additional functions are described in the accompanied owner's manual.

Notes for remote control:
– First, select the source you wish to control by pressing one of the source select keys on the remote control (DISC or TUNER, for example).
– Then select the desired function (►II, ◄, ►I for example).
