- Main speaker dimensions (W x H x D): 80 x 90 x 80 mm

## Accessories

- Included accessories: Remote Control, AC Power Cord, User Manual, Warranty certificate, World Wide Warranty leaflet

# Highlights

## USB Direct for MP3/WMA music

Simply plug in your device to the USB port on your Philips Hi-Fi system. Your digital music will be played directly from the device. Now you can share your favourite moments with family and friends.

## 2.1 with built-in subwoofer

2.1 system with a built-in subwoofer

## 10.2 cm (4") woofers

4" woofers for improved bass and extended sound spectrum

## Dynamic Bass Boost

Dynamic Bass Boost maximises your music enjoyment by emphasising the bass content of the music throughout the range of volume settings - from low to high - at the touch of a button! Bottom-end bass frequencies usually get lost when the volume is set at a low level. To counteract this, Dynamic Bass Boost can be switched on to boost bass levels, so you can enjoy consistent sound even when you turn down the volume.
