Highlights

LED power-indicator light

The discreet LED light glows softly to let you know at a glance that the unit is powered.

Fast charging

Don't sit around waiting for your device to charge! The power output of this charger ensures your device is fully charged in a shorter amount of time compared to standard, less powerful chargers.

Qi wireless technology

The wireless charging, Qi technology, is widely adopted by smartphones and other mobile devices. Philips wireless chargers are compatible with phones and other devices enabled with Qi wireless technology. Simply put the devices on this pad and you will enjoy the effortless charging experience.
