PHILIPS

Headphones
8.6mm drivers/semi-closed back In-ear

Highlights

3 pairs of ear caps

Ear caps come in a choice of 3 sizes - small, medium and large - for a personalized and perfect fit.

Bass Reflex Port

The Bass Reflex Port improves bass by venting air out, improving efficiency of the system at low frequencies.

Bright LEDs

A powerful LED syncs to every beat of your music so you can see and hear sound. For the first time ever, you can share your music visually.

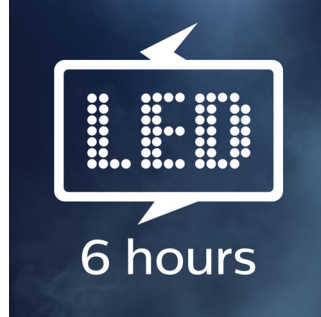

Durable rubber cable

A rubber cable for extra durability

LED button

Control music visibility easily with the LED slide switch button on the in-line battery box.

Long playtime

Up to 6 hours of powerful LED light

Neodymium drivers

8.6mm Neodymium drivers deliver deep bass, amplifying the pulse of your music. They deliver high definition sound with a wide dynamic range, reproducing even the most minute details.

Tough build

These headphones are built with toughness and durability in mind, giving you a robust and undestructable look and feel.

SHX10/00
