- FM frequency range: 87.5 to 108 MHz

Speaker system

- Speaker impedance: 6 ohm
- Woofer impedance: 4 ohm

Accessories

- Included accessories: 2 RCA to stereo-1 no. cable, Remote Control with QWERTY, User Manual, Warranty Card

Packaging dimensions

- Packaging dimensions (W x H x D): 38.5 x 27.5 x 65.4 cm
- EAN: 48 95229 13638 0
- Gross weight: 7.1 kg
- Nett weight: 6.11 kg
- Number of products included: 1
- Tare weight: 0.99 kg

Highlights

Designed for style

Cool design adds personality to your living space.

Subwoofer + satellite speakers

The audio system is separated into a subwoofer that is optimized to reproduce bass frequencies and satellite speakers that are optimised for mid- and high-range frequencies. The result is a system that powerfully reproduces the full range of audio frequencies from deep bass to crystal clear high notes with the minimum of distortion.

Total 100W sound output power

Total 100W sound output power

Bluetooth-enabled

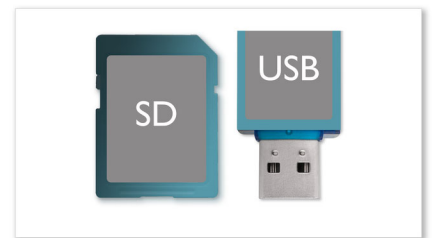

Bluetooth is a short range wireless communication technology that is both robust and energy-efficient. The technology allows easy wireless connection to other Bluetooth devices, so you can play your favorite music from any smartphones, tablets or even laptops including iPod or iPhone on Bluetooth-enabled speaker easily.

FM tuner

The built-in FM tuner lets you enjoy your favorite songs or news from your radio station every day. Simply tune into the station that you want to listen.

USB and SD card slots

Thanks to the complete file transferability, you can easily enjoy the convenience and fun of accessing more music and photos via the USB and SD card slots.
