FM12SS020P

Super fast, durable, pocket sized storage

Much faster than HDDs!

Philips external solid state drive offers you a superior solution to store your files fast and mobile.

Performance and capacity

- 4 times faster than a traditional external hard drive
- 120 GB storage capacity for large capacity files
- Ideal for 4K UHD video
- Low power consumption
- Enhanced durability
- High productivity

Design for you

- Palm sized design

Everything you need

- Activity indicator lights up when copying files

Highlights

4 times faster than a HDD

This Philips SSD reads files up to 400MB/s which is, on average, 4 times faster than a traditional external hard drive.* It offers you a superior solution to store your files fast and mobile.

120 GB storage capacity

A highly user friendly tool to increase the number of files you can store. Just connect the SSD to your computer with the supplied cable and add the extra 120GB storage capacity.

Ideal for 4K UHD video

This Philips SSD offers super speed performance, letting you swap files effortlessly for high resolution images and videos on the go.

Palm sized design

The compact casing (80.0 x 49.5 x 9.5mm) is only slightly bigger than a credit card and allows you to take the drive with you wherever you go.

Low power consumption

Compared to traditional HDDs, power consumption is much lower. It helps the battery of your notebook to last longer.

Enhanced durability

Solid state drives are based on flash memory, and therefore quiet and less susceptible to malfunction, compared with traditional external hard disks.

High productivity

Since the solid state drive does not require file indexing, files can be found in a flash. A great help to increase productivity.

Activity indicator

An appealing LED indicator shows you the drive is properly connected and working, and pulsates faster when copying files to or from its memory.

Storage media

Built-in memory capacity: 120 GB

Connectivity

SSD interface: mSATA

USB: USB 3.0 cable included

System requirements

PC OS: Windows® XP and higher; Mac OS 9.0 and higher; Linux 2.4.0 and higher

Product dimensions

Product dimensions (W x H x D):

4.95 x 8 x 0.95 cm

Weight: 0.03 kg

Packaging dimensions

Packaging type: Box

Number of products included: 1

Packaging dimensions (W x H x D):

10.3 x 14.3 x 2.15 cm

Gross weight: 0.09 kg

Nett weight: 0.03 kg

Tare weight: 0.06 kg

EAN: 87 20039 51165 1

Inner Carton

Number of consumer packagings: 2

Inner carton (L x W x H): 17.2 x 5.1 x 11 cm

Gross weight: 0.22 kg

Nett weight: 0.06 kg

Tare weight: 0.16 kg

EAN: 87 20039 51166 8

Outer Carton

Number of consumer packagings: 20

Outer carton (L x W x H): 24 x 23 x 27.5 cm

Gross weight: 2.5 kg

Nett weight: 0.6 kg

Tare weight: 1.9 kg

EAN: 87 20039 51168 2
