Product highlights

3-way adjustable ear shells

Enjoy a comfortable fit and experience better bass performance thanks to the three-way adjustable ear shells that fit naturally around your ears.

Lightweight design

The durable, lightweight quality materials enhance comfort for extended wearing.

Automatic Level Control (ALC)

This smart electronic circuit ensures that the audio input level is automatically adjusted to the right level, preventing distortion and preserving your listening enjoyment.

32 mm speaker driver

The 32 mm speaker driver is a compact yet powerful element for delivering non-distorted sound with any given input power.

FM Wireless transmission

With high-frequency FM wireless transmission, which can even pass through walls, you can even listen to your music when you're in another room.

Two transmission channels

With a choice of two transmission channels your listening pleasure is protected because you can easily switch to the one with the best reception.

Battery included

No need to buy batteries to get started. Just drop the batteries in and go!
