### **Ultimate wearing comfort**

- Designed to comfortably fit the shape of your ear

### **Design for convenience**

- Built-in microphone switches you from music to phone calls
- Flexi-Grip design for durability

# PHILIPS

# Highlights

## 14.2 mm speaker drivers

Quality 14.2 mm speaker drivers with neodymium magnet delivers rich bass and clear sound.

## Built-in microphone

The built-in microphone lets you switch from listening to music to taking phone calls - easily, so you'll always stay connected with what matters most to you.

## Designed for comfort

The design is based on ear geometry for comfortable wear and a snug fit for everyone.

## Flexi-Grip

A soft, flexible part that connects the housing and the cable protects the cable connection from damage, even if bended heavily.

## Neodymium magnets

Neodymium is the best material for producing a strong magnetic field for greater sensitivity in a voice coil, providing a better bass response and higher overall sound quality.
