PHILIPS

1 Connect

A Connect to the TV

This product is designed for high-definition televisions (HDTV).

Option 1 - Using Composite video (standard quality)

- 1 Take the supplied audio/video cable.
- 2 Plug the yellow composite video cable into the **VIDEO** socket.
- 3 Plug the other end of the composite video cable into the TV.

- 4 Plug the red and white ends of the audio cable into the **AUDIO-L** and **AUDIO-R** sockets.
- 5 Plug the other ends of the audio cable into the TV.

Note: This type of audio/video connection does not support Blu-ray disc playback.

Option 2 - Using HDMI (best quality)

- 1 Take a HDMI cable (not supplied).
- 2 Plug one end of the HDMI cable into the **HDMI OUT** socket.
- 3 Plug the other end of the HDMI cable into the HD compliant TV.

Note: This type of connection requires no audio connection.

B Connect to the power outlet

- Plug the power cable into the power outlet.

Note: Refer to the user manual for other possible connections and important safety instructions.

2 Set up

A Finding the viewing channel

- 1 Connect the BDP7100 to your TV.
- 2 Press **STANDBY-ON** button to turn on the BDP7100.
- 3 Turn on your TV and set it to the correct viewing channel. You should see the { **MENU LANGUAGE SELECTION** } appearing on the TV.

Note: To search for the correct viewing channel, press the Channel Down button on the TV's remote control repeatedly (or AV, SELECT,  button) until you see the signal from the player appears on your TV.

B Select the on-screen display language

Important Note:

After you have connected the BDP7100 to your TV and turn on for the first time, follow the instructions on the TV to complete the initial setup for this player. You will not be able to open the disc tray unless the initial setup is completed

This menu will appear on TV when you turn on the player for the first time.

MENU LANGUAGE SELECTION

Press 1 for English
Pulsar 2 para Español
Touche 3 pour Français
Drücken Sie 4 für Deutsch
Premere 5 per Italiano
Druk op 6 voor Nederlands
Prima 7 para Português

- Read the instructions on the TV and use the BDP7100 remote control to select your preferred language. Wait a few seconds for the player to finish initialising the system.

The BDP7100 is now ready for use.

3 Enjoy

A Start disc playback

- 1 Press the **OPEN/CLOSE**  button.
→ The disc tray opens.

- 2 Place the disc in the disc tray with the label on the top.

- 3 Press the **OPEN/CLOSE**  button again.
→ The disc tray closes.

Note: If a disc menu appears on the TV, use the cursor buttons to go to the Title list.

- 4 Press **PLAY**  to start playback.
- 5 To stop playback, press **STOP** .
