## Product highlights

### Nike AirPad

*Nike AirPad with super soft ear cushions and extra large ventilating holes provide a superb cushioning and cooling effect*

### 1.2 metre cable

*The ideal cable length to give you the freedom to put your audio device where you want.*

### Neodymium magnet

*Neodymium is the best material for producing a strong magnetic field for greater sensitivity in a voice coil, better bass response and higher overall sound quality.*

### Ultra lightweight headband

*The slim, lightweight, stainless steel headband is so light you'll hardly notice you're wearing it.*
