Multimedia Speakers 2.0

Silk dome tweeter

3" Driver
Headphone out, Audio-in
110W, Bass radiator

SPA8210

High-fidelity sound

Obsessed with sound

Packing a powerful wOOx bass and a high-definition silk dome tweeter in a stylish aluminum-fronted cabinet, Philips SPA8210 speakers look and sound just wonderful!

Rich, complex sound

- Dumbbell speaker design for naturally balanced sound
- Silk dome tweeter for crystal clear sound
- wOOx technology for rich yet precise bass without distortion
- PP driver material
- 40W RMS total output power
- Distortion free at maximum sound output
- Well damped driver reduces vibration and sound distortion

Exquisite design and finishing

- Aluminum metal front

Simplicity

- Connection for TV or DVD player
- Convenient aux-in and headphone out on front of speaker
- Easy volume control on satellite
- Compatible with any media

PHILIPS

Multimedia Speakers 2.0

Silk dome tweeter 3" Driver, Headphone out, Audio-in, 110W, Bass radiator

Highlights

Dumbbell speaker design

With a dumbbell speaker design, the high-range tweeter is positioned at the midpoint, between two lower frequency woofers. In this product the woofer driver is on top, with the tweeter in the middle and the Philips patented wOOx on the bottom. This configuration generates a more balanced sound making the overall audio effect more natural. And the premium finish of this quality speaker will complement you and your choice of audio equipment.

Aluminum metal front

Premium build quality design. The speakers front is made from a single piece of anodized brushed aluminum – the same material used to build aircraft. The aluminum, curved to create an ideal acoustic chamber, optimizes audio delivery for sound that is accurate, powerful, natural and crystal clear.

Silk dome tweeter

A silk dome tweeter holds a diaphragm made with silk - a material superior to the others that is used in ordinary tweeters. The silk material used in the diaphragm has superior sound damping characteristics and its soft texture ensures minimal acoustic breakup. As a result, the sound produced by a silk dome tweeter is smooth, warm and has a wide range.

wOOx technology

wOOx technology is a revolutionary loudspeaker concept that allows you to hear and feel profoundly deep bass that is richer than any other audio system. Special speaker drivers work in harmony with the wOOx bass radiator, and precise tuning between the main driver and the tweeter ensures smooth transitions from low-mid to high frequencies. Dual suspension and a totally symmetrical sandwich construction deliver low and precise base without noticeable distortion. wOOx produces exceptionally deep and dynamic bass by using the speaker box full volume to truly magnify the impact of the music.

AUX-in and headphone out

Now you can enjoy your favorite music and entertainment even easier and more conveniently, via the aux-in and headphone out jack on the front of these speakers. Usually, if you want to connect another device other than your PC you have to unplug the 3.5mm jack from the computer and that is not always expedient. But with the aux-in and headphone out connections on front you can quickly and easily listen to music straight from almost any device.

Specifications

Audio systems

- Output power in total: 40W
- Power: 100-240V, 50/60 Hz
- Frequency range: 20Hz-20kHz
- Input impedance: 47Kohm
- Signal/Noise ratio: >75dB
- THD: <1%

Audio systems L/R channels

- Rated output power: 20W x2
- Audio power amplifier: Class-AB Amplifier
- Channel separation: >45dB
- Input sensitivity: 600mV

Left/Right speakers

- Speaker driver: 3" full range, 20mm silk dome
- Driver power range: 1-20Wx2
- Frequency range: 60Hz-20kHz
- Nominal impedance: 8ohm
- Sensitivity: 84dB(2.83V/1m)

Connectivity

- Cable length: 1.5 m
- Connector: 3.5 mm stereo

Packaging dimensions

- Packaging dimensions (W x H x D): 23.4 x 30.8 x 15.2 cm
- EAN: 69 23410 71439 5
- Gross weight: 2.4 kg
- Nett weight: 2.05 kg
- Number of products included: 1
- Tare weight: 0.35 kg
- Packaging type: Carton

Packaging content

- Quick installation guide
- Number of satellites: 2

Outer Carton

- Gross weight: 5 kg
- Outer carton (L x W x H): 31.2 x 24.2 x 31.5 cm
- Nett weight: 4.1 kg
- Number of consumer packagings: 2
- Tare weight: 0.9 kg
- GTIN: 1 69 23410 71439 2

Issue date 2014-06-12

Version: 6.0.5
