Simplicity

- Integrated automatic child safety outlets
- Worry-free protection indicators

Built-in convenience

- 8 outlets
- 2 m power cord
- Built-in cord management

Pure Protection

- 2700 Joules
- Protected network connections
- €200,000 equipment warranty
- Power Blocker

Highlights

2700 Joules

Prevent thousands of pounds of damage to your electronic devices.

Protected network connections

These connectors accommodate an RJ45 cord, routing the network line through the surge protector to guard against spikes and surges.

Power Blocker

Automatically shuts down power to the connected devices.

€200,000 equipment warranty

Protects your connected equipment for the life of the product.

8 outlets

Converts one outlet into eight outlets, allowing you to plug in multiple devices from a single AC outlet.

2 m power cord

Provides power to the unit, which can be 2 m from the AC outlet.

Cord Management

A cord management device that allows the cable/cords to be routed in the same direction for a more organised appearance

automatic child safety sockets

Helps keep children safe from accidental shock.

Protection indicators

LED lights let you know if your surge protector is functioning properly.
