Highlights

Earhook

The earhook ensures stability and a comfort fit.

Mic and control

Stay connected. The built-in microphone and track controls (IPX2) allow you to change music or pick up calls quickly and easily while you train.

Open acoustic design

These ActionFit headphones do not block out sound, so you can keep aware of your environment and stay safe, especially when exercising outdoors. An open acoustic platform provides quality sound without masking the world around you.

Powerful sound

Powerful 13.6mm drivers deliver music that pack a solid punch, with deep and dynamic bass to keep you motivated – and moving. The premium quality drivers ensure a vivid sound experience, keeping you fueled during any workout.
