HTL7140B/12

Highlights

Ambisound

Ambisound technology produces truly embracing multi-channel surround sound from sleek soundbar. It delivers an immersive 5.1 sound experience without the constraints of sitting position, room shape or size, and without the clutter of multiple speakers and cables. Through the combined effect of psychoacoustic phenomena, array processing and precisely angled driver positioning, Ambisound delivers truly immersive and wider sound effect.

5.1 Multi-channel

HTL7140B is a 5.1 multi-channel to deliver truly immersive sound effect. Added more, most of the soundbar nowadays is 2.1 channels, HTL7140B equipped 5.1 channels with built-in 6 amplifiers to deliver great sound quality. This 5.1 systems use the same speaker channels and configuration, having a front left and right, a center channel, two surround channels and a subwoofer. It support Dolby digital pro-logic 2.

Dedicated center channel

Most of the soundbar in the market is with 2.1 channels. The center channel is down mix into 2.1 channel and the voice is not clear. HTL7140B with 2 dedicated drivers, have their own amplifier and carry a different processed sound signal. By carefully processing the sound, it is possible to create a wider soundstage than when the drivers carry the same sound. The soundstage becomes larger than the length of the soundbar. While consumer watch the foreign TV program or movie, they can follow it easily. Same as watching TV news.

HDMI 4K2K

HDMI 4K2K incorporates the HDMI 1.4 standard. This adds support for ultra-high definition (UHD) video content. Presently this refers to 4K, which at its largest is 4096 pixels wide by 2160 pixels high or four times the size of a standard 1080p HD display. The term covers a slightly lower 4K resolution of 3840 pixels wide by 2160 pixels high. Both formats are supported through HDMI 1.4. 4K displays put high-end home theater systems in the same sphere used in many commercial movie theaters. To make the speakers future resistant, this standard has been integrated for the growth of 4K TV.

Dolby Digital and DTS

Go digital and get the most out of your music and movies. Even stereo music sounds great because Dolby Digital and DTS Digital Surround enhance digital music and videos, pumping it up so you get truly immersive surround sound out of your home cinema speaker.

Precisely angled drivers

The tweeters are angled at 45 degrees and send the high frequencies sideward, enlarging the soundstage also for the high frequencies. With the combination of the front positioned drivers, the angled tweeters and the proprietary processing and acoustics is called Ambisound and deliver wider sound effect.

Bluetooth® (aptX® and AAC)

Bluetooth® (aptX® and AAC) for wireless music streaming

Specifications

Sound

- Sound Enhancement: Treble and Bass Control, Audio sync, Auto Volume Leveler, Movie, Music, Voice, Smart Sound
- Sound System: Dolby pro-logic 2, DTS Digital Surround
- Subwoofer output power: 220W
- Speaker output power: 100W
- Total Power RMS @ 10% THD: 320 W

Loudspeakers

- Subwoofer driver: 1 x 8" woofer
- Subwoofer type: Wireless subwoofer, Bass reflex system
- Drivers per Soundbar: 2 speakers for center channel, 2X 1" mylar tweeters, 4 speakers for front/surround

Connectivity

- Integrated Connections: Bluetooth APT-X, NFC
- Rear Connections: Digital optical in, HDMI 1.4 output (ARC), HDMI IN 1, Audio in 3.5 mm jack, USB
- Wireless connection: Bluetooth APT-X and AAC

Outer Carton

- EAN: 48 95185 60678 1
- Length: 112 cm
- Number of consumer packagings: 1
- Width: 35,5 cm
- Gross weight: 13,73 kg
- Height: 35 cm
- Nett weight: 8,63 kg
- Tare weight: 5,10 kg

Convenience

- EasyLink (HDMI-CEC): Audio Return Channel, Automatic audio input mapping, Remote Control-

Passthrough

- HDMI Features: Audio Return Channel (ARC), Content Type, Support 4K2K

Power

- Power supply: 110-240V, 50Hz
- Standby power consumption: <0.5 W

Packaging dimensions

- Height: 35 cm
- Packaging type: Dummy
- Type of shelf placement: Dummy
- Width: 112 cm
- Depth: 35,5 cm
- Number of products included: 1
- EAN: 48 95185 60678 1
- Gross weight: 13,73 kg
- Nett weight: 8,63 kg
- Tare weight: 5,10 kg

Product dimensions

- Height: 3,8 cm
- Width: 106 cm
- Depth: 5,5 cm
- Weight: 1,5 kg

Accessories

- Included accessories: 2 x AAA Batteries, Power cord, Remote Control, Safety & Legal Leaflet, Trademarks Sheet, User Manual, World Wide Warranty leaflet, Wall mount bracket

Design

- Wall mountable

Dimensions

- Main Unit (W x H x D): 1060X38X54.5 mm
- Subwoofer (W x H x D): 195X304X400 mm
