- Wall brackets included
- Distinctive geometric design. Easy placement
- Soundbar dimensions: 800x95x64.7 mm
- Subwoofer dimensions: 380x280x190 mm

PHILIPS

Highlights

2.1 channels

2.1 channels bring richer, deeper, clearer sound to your favorite movies and shows. The compact wireless subwoofer delivers rich bass. While two midrange drivers and two tweeters combine to deliver beautifully balanced sound with crisp dialogue.

300 W output. Powerful sound

The roar of explosions. Iconic soundtracks. With 300 W of pure power, this soundbar and wireless subwoofer will make music and effects sound much bigger. You'll hear more detail in quieter moments and action scenes will blow you away.

Dolby Audio

Be immersed in your favorite shows and movies. This soundbar with wireless subwoofer supports the Dolby Digital Plus format for a more expansive and involving

experience. Voices will be clearer. Effects will be more impressive.

Distinctive geometric design

This soundbar boasts a unique slanted design and a low profile. When it comes to placement, the included wall brackets keep your options open. The compact design of the powerful subwoofer makes it easy to conceal.

HDMI ARC

The days of hunting for multiple remotes are over. This soundbar connects to your TV via HDMI ARC, allowing you to control soundbar volume with the same remote you use for your TV.

Connect your favorite source

Stream playlists from your mobile device via Bluetooth. Connect audio sources via audio-in,

optical input, or USB. Whatever you love, it will sound great through this soundbar.

Audio-in. Optical in. BT. USB
