Great sound. Sleek looks

- 10 mm neodymium drivers for great sound
- Hybrid Active Noise Cancelling
- Hockey stick design
- 2 x 2 microphones for crystal-clear voice calls

PHILIPS

True Wireless Headphones

Hybrid Active Noise Cancelling 2 x 2 mics for clear voice calls, Pocket-sized charging case, IPX4 splash/sweat resistant

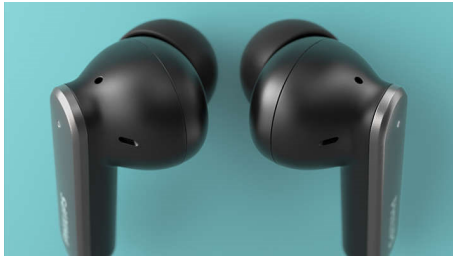

Highlights

Active Noise Cancelling

These headphones feature Hybrid Active Noise Cancelling that filters out the noise you don't want to hear. Awareness Mode means you can let the world back in when you need to. The perfect way to pay tribute to your favourite sounds!

2 x 2 mics for clear calls

These headphones feature a dual-mic, noise-cancelling algorithm to give you fantastic call clarity. Two beam-forming microphones in each bud reduce the ambient noise so that you

can hear each other distinctly. Communicate clearly every time!

Secure, comfortable fit

These comfortable earbuds fit securely into your ear canals, creating a perfect seal that diminishes external noise. Hear every beat and word! Enjoy real comfort with three sizes of soft, interchangeable silicone ear-tip covers.

IPX4 splash/sweat resistant

An IPX4 rating and powerful 10 mm drivers let you enjoy great sound in any weather! The headphones are splash resistant and won't mind a little rain or sweat, so you don't need to worry about getting caught in a shower.

Pocket-sized case

This USB-C charging case gives you real power in a tiny package. You get a full day of listening from a case that slips into the smallest pocket. This makes these headphones perfect for

TAT4507WT/00

those who are on the move throughout the day.

26 hours play time

No matter how long your day is, these headphones have got you covered. You get 6 or 5 hours of play time from a pair of fully charged earbuds with ANC off and ANC on respectively. A fully charged case gives you another 20 or 16 hours respectively.
