S8A

Quick start guide

PHILIPS

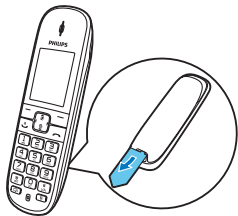

1 Connect

Multi-handset version
only.

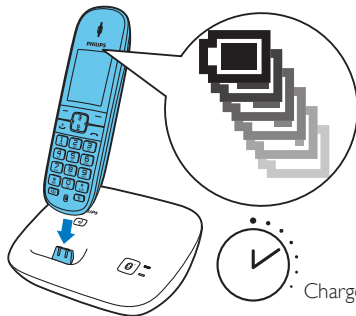

2 Get started

Configure your phone

- 1 When using your phone for the first time, you see a welcome message (country dependent).
- 2 Set the country and language if prompted.
- 3 Set the date and time.
 - If the time is in 12-hour format, press ***INT*** key to select **[am]** or **[pm]** (country dependent).

Charge your phone

Flashing: low battery

Scrolling: charging in progress

3 Bluetooth

Pair your S8A with your mobile phones

Make sure the Bluetooth function of the mobile phones is activated and in searching status. Then you can do the pairing in this way:

- 1 Press and hold  on the base station until the Bluetooth LEDs on the base station flash.
- 2 On the mobile phone, select **S8A** and connect.
- 3 Enter the PIN code (0000) on the mobile phone, if necessary.
 - ↳ When S8A and the mobile phone are paired, *12 or *12 is displayed on the handset screen. The corresponding LED on the base station remains steadily on.

Note

- When the Bluetooth device list is full, remove some mobile phone names before pairing can start.
- If the name of S8A exists in your mobile phone, you have to remove it from your mobile phone. Then you can do the pairing again.

4 Enjoy
