# Highlights

## Always clear sound

Perfectly tuned 30 mm drivers give clear, sparkling sound with great bass — perfect for everything you love to watch. The full-size ear cups have an over-ear fit for great passive noise isolation. You won't miss a line of dialogue and you won't disturb others.

## Auto-tuned FM wireless connect

These wireless TV headphones automatically select the best available FM connection, giving you crystal-clear sound with no latency. You won't have to adjust anything and with a 100 m range you can easily listen anywhere in your home.

## Lightweight and comfortable

The lightweight design is super-comfortable — perfect if you're bingeing a late-night series and don't want to wake the baby! The cushioned headband and ear cups are adjustable, making it easy to find the best fit for you.

## 18 hours play time

The included pair of rechargeable AAA batteries gives you up to 18 hours play time from a single charge. Charging takes 6 hours.
