Soundbar 5.1.2 with wireless subwoofer

Dolby Atmos®

DTS Virtual:X

740 W max

5.1.2 CH wireless subwoofer

TAB7908

Immerse yourself in epic cinema sound

This fantastic 5.1.2 soundbar with a centre channel for vocal clarity uses Dolby Atmos to bathe you in waves of exciting sound. A wirelessly connecting subwoofer provides incredible bass to give your media the depth it deserves.

Great sound. Sleek aesthetics

- 4 preset EQ modes optimise your sound environment
- Backlit button panel lets you see the controls clearly
- Smart, fabric-covered design
- Soundbar can be mounted on the wall or a table

Proper cinema experience

- 2 in-built diagonal facing tweeters for soundstage expansion
- 5.1.2 channels with wireless subwoofer
- Dolby Atmos. Cinematic sound
- DTS Virtual:X creates real 3D surround sound

Full connectivity

- HDMI in and HDMI out (eARC)
- Philips EasyLink to control the soundbar with your TV remote
- Connect via Bluetooth, optical-in, USB and Aux-in

Highlights

5.1.2 ch. Wireless subwoofer

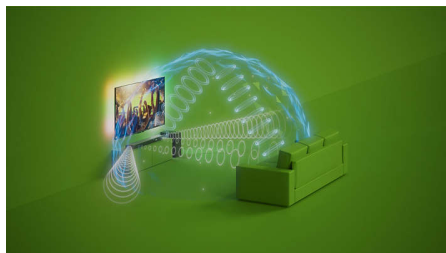

Whether you're relaxing to your favourite playlist or surrounded by the roars of dinosaurs, this soundbar's 5.1.2 channels—including a centre channel for voice clarity and a powerful, wirelessly connecting subwoofer—immerse you in rich, vibrant, cinematic sound.

Dolby Atmos. Cinematic sound

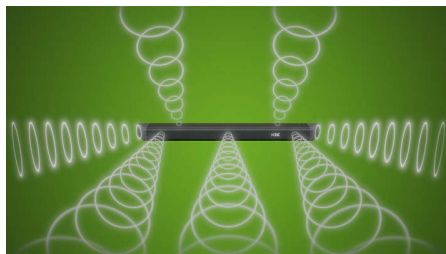

5.1.2 channels reproduce height as well as depth, creating unbelievably rich surround sound. Whether it's spaceships flying overhead or the crowd in an arena, you'll feel the drama flowing above and all around you.

DTS Virtual:X

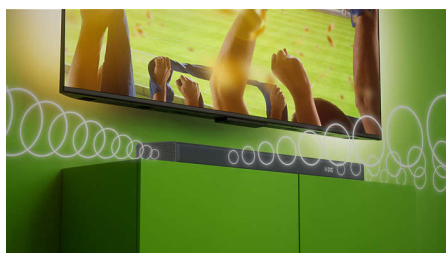

Experience real three-dimensional sound as if you were actually at the cinema! This incredible soundbar features DTS Virtual:X technology that adds height, width and breadth to create a fully immersive surround-sound experience.

Wider soundstage

Widen the sound even further! Two extra tweeter speakers built in at either end of the soundbar broaden the soundstage to give you an even richer experience. Fill your space with exquisite sound and enjoy your music and films like never before.

Stadium EQ Mode

Select one of four preset EQ modes to heighten your experience. Stadium EQ Mode immerses you in ambient crowd noise, as though you're

sitting in the stadium! Be thrilled by every crucial moment—and still hear crystal-clear commentary.

Connect your favourite sources

Stream playlists from your mobile device via Bluetooth. Your media sounds richer, deeper and clearer through this phenomenal soundbar and subwoofer. You can also connect via Audio-in, optical-in, USB or HDMI out (eARC).

HDMI in and HDMI out (eARC)

Lose nothing from the mix when you're immersed in the drama. This soundbar is compatible with HDMI eARC, a high-speed connection that lets you experience the full effect of advanced audio formats like Dolby Atmos.

Philips Easylink

This fantastic soundbar features Philips Easylink technology for maximum ease and convenience. Whether you want to adjust the EQ modes, bass, treble or volume settings on your device or soundbar, only one remote control is needed!
