Highlights

14.2mm speaker drivers

Quality 14.2mm speaker drivers with neodymium magnet delivers rich bass and clear sound.

Built-in microphone

The built-in microphone lets you easily switch from music listening to taking phone calls - easily, so you'll always stay connected with what matter most to you.

Designed for comfort

The design is based on ear geometry for comfortable wear and snug fit for everyone.

Flexi-grip

A soft, flexible part connecting the housing and the cable, protects the cable connection from damage even if bended heavily.

Neodymium magnets

Neodymium is the best material for producing a strong magnetic field for greater sensitivity in a voice coil, providing a better bass response and higher overall sound quality.
