Kick the party off

Raise the roof of any party with this brilliant party light cube speaker! Powerful sound, big bass and an awesome party light take the party to the next level. Connect up to 50 speakers for a wall of light and sound.

Get the party started right

- Connect easily via Bluetooth, USB or audio-in
- 2x 2" tweeters and a 6.5" bass driver
- Party lights pulse and flash
- Powerful sound with extra heavy bass

Shake the room

- AC-powered. Built-in battery for 12 hours of play time
- Cube design with comfy handle. Dimensions: 30x31x30 cm
- 50 W RMS. 100 W max output power
- Connect up to 50 speakers for a wall of sound

Rock the mic

- Echo, female/male voice switch and vocal fader effects
- Pair for stereo and play it loud
- 2 mic inputs. Karaoke effects
- Dynamic bass boost for rich, deep bass

Highlights

Extra bass. 12 hours play time

This awesome karaoke cube speaker will bathe the room in rich sounds and banging bass. The built-in battery lets you take the party outside for up to 12 hours play time on a single charge.

Party lightshow

Flashing party lights on the front of the cube pulse and flash, creating a brilliant lightshow. The back light will change color and pulse while the front light strobes.

2 Karaoke mic inputs

2 mic inputs let you add your voice to the party with karaoke mode. Kick it up with echo, female/male voice switch and vocal fader voice effects. Both mics and effects have their own controls on the speaker.

Bluetooth, USB and audio-in

Connect any way you like. Stream your tunes via Bluetooth. Easily connect other devices via audio-in or USB. You can also connect to another speaker or amp using the line-out socket.

Wall of light and sound

You can connect up to 50 speakers together. A handle in the top and the cube design allow you to easily stack speakers on top of each other. Create a wall of sound and lights to get your party started right.
