**PHILIPS**

Cordless phone with answering machine  
25 min answering machine 1.8" display/ white backlight, Speakerphone, 2 handsets

D4052W/FR

# Highlights

## 4.6cm (1.8") graphical display

Large, 4.6cm (1.8") full graphical display

## Contoured handset design

Designed for maximum in call comfort the handset fits naturally against the curve of your face.

## Eco-conscious model with ECO+

**ZERO**  
power  
emission

Philips phones are energy efficient and designed to be respectful to the environment. When ECO mode is activated the emitted radiation is reduced by up to 60%, and up to 95% when the phone is charging. Whith ECO+ mode activation the radiation drops to zero.

## Handset speakerphone

Handsfree mode uses a built-in loud speaker to amplify the voice of the caller, allowing you to speak and listen during a call without holding the phone to your ear. This is especially useful if you want to share the call with others or simply multitask.

## HQ-Sound

Philips cordless phones with HQ-Sound: build upon decades of experience and breakthrough innovations in developing Hi-Fi audio products and high-end headphones to deliver excellent voice clarity on our DECT phones. When it comes to improving sound quality, our acoustics engineers and architects have thought of everything – high quality components, digital signal processing, precise acoustic design, advanced testing and fine-tuning. The result is sound that is crisp, clear and authentic. Sound so good and natural, it is almost like being there in person.

## Non-slip grip

The rear of the handset is treated with a special texture for added comfort and better grip.

## Silence mode

Value your privacy and quiet at home? Easily disable the ringtones for specific "no call" times to enjoy piece and silence.

## Up to 16 hours talk time

Up to 16 hours of talk time on a single charge

## Up to 25 min. recording

Up to 25 minutes message on your answering machine

## Caller ID\*

Sometimes it is good to know who is calling before you answer. And our Caller ID lets you keep track of who is on the other end of the line.
