- Weight: 0.55 kg

Highlights

900 Joules

Prevent thousands of dollars of damage to your electronic devices.

4 outlets with protection

Protects against surges/spikes through the AC lines by suppressing surge energy. The excess energy is clamped by the MOV when the unit is subjected to a surge event.

Power Blocker

Automatically shuts down power to the connected devices.

€100.000 equipment warranty

Protects your connected equipment for the life of the product.

2 m power cord

Provides power to the unit which can be 2 m from the AC outlet.

Cord Management

A cord management device that allows the cable/cords to be routed in the same direction for a more organized appearance

automatic child safety outlets

Helps keep children safe from accidental shock.

Protection indicators

LED lights let you know if your surge protector is functioning properly.
