- One small system for all your music
- Perfect for smaller spaces

Fill the room with tunes

- 2.4" colour TFT display. Included remote
- Alarm. Wake to your favourite radio station or a tone
- Convenience and control
- Main unit dimensions (including stand): 400 x 220 x 100 mm

PHILIPS

Highlights

One small system for all music

Looking for something to listen to? This micro system gives you crackle-free digital or Internet radio from thousands of stations around the world. You can stream music, podcasts and more via Bluetooth, and audio-in takes care of wired sources.

Perfect for smaller spaces

You can leave this slender micro system free-standing on the included foot or remove the foot to mount directly onto a wall. Two full-range drivers deliver clear stereo sound.

Easy streaming. Epic listening

Streaming from Spotify? This Bluetooth Internet radio boasts Spotify Connect. Use your mobile as a remote control while the radio streams Spotify's best-quality signal—directly from the Spotify servers. Two full-range drivers deliver clear stereo sound.

Convenience and control

An easy-to-use remote puts key system functions at your fingertips. The colourful display panel shows album art and song information from Spotify Connect and station logos when you use Internet radio or DAB+.

Alarm

A handy alarm function makes this slender micro system perfect for bedrooms. Wake up smiling to your favourite radio station. Or go for a simple alarm tone.
