

PHILIPS

USB power bank

20,000 mAh

Li polymer battery

USB A and Type-C charging port

Black

DLP3710FB

Slim and powerful power bank

With fast charging 22.5 W output

Big 20,000 mAh capacity with safe Li-polymer battery. No more hassle when your cellphone is out of battery. This the ideal travel mate to provide power to all your mobile devices.

Confirm operation at a glance

- LED power-indicator light

Top Performance

- 2 USB ports charge two devices simultaneously
- USB-C port for latest mobile devices

Portable power

- Fast charging: delivers more power for a faster charge
- Recharge your devices multiple times on the go
- Works with USB-based devices
- Works anywhere - great when you're not near a power source

Highlights

Fast charging

Don't sit around waiting for your device to charge! The power output of this charger ensures your device is fully charged in a shorter amount of time compared to standard, less powerful chargers.

LED power-indicator light

The discreet LED light glows softly to let you know at a glance that the unit is powered.

USB-C port

USB-C is the latest charging connector which is now adopted by mobile devices such as cell phones, outdoor cameras and tablets.
