PRO3000BK/00

Highlights

3 ear cap sizes

Ear caps come in a choice of 3 sizes – small, medium and large – for a personalized and perfect fit.

Ergonomic design

PRO3000 headphones feature an oval sound tube insert that provides enhanced ergonomic comfort, fitting to the true shape of the wearer's ear.

Handsfree calls

An easy-to-use remote control allows you to play or pause tracks and answer calls with a simple push of a button.

Hi-Res Audio

Discover new levels of detail and clarity in your music with Hi-Res Audio. Pure, precision sound enhanced for any music format. These headphones meet the stringent standards required for the Hi-Res Audio stamp of quality.

Metalized gloss coat

Coated with a high-quality vacuum metalized gloss finish for extra surface protection.

Noise isolation

Using a closed-back acoustic design, PRO3000 headphones keep ambient noise out and great sound in, with enhanced passive noise isolation to pull you deeper into your music.

Powerful drivers

Philips Performance PRO3000 headphones feature powerful 12.2mm speaker drivers that produce precise, balanced sound and rich bass.

Protective pouch

Protective pouch to store your headphones when not in use
