- Battery lifetime: 12 Months
- Number of batteries: 2
- Battery type: AAA

Outer Carton
- Quantity: 6
- EAN/UPC/GTIN: 87 10895 93599 9
- Height: 172 mm
- Length: 312 mm
- Width: 151 mm

Packaging Data
- 12NC: 908210006482
- EAN/UPC/GTIN: 87 10895 93598 2
- Height: 33 mm
- Length: 304 mm
- Width: 157 mm

Product highlights

4in1 remote control
Replace a table full of remote controls with one robust unit that'll operate your TV, VCR, satellite receiver (or cable STB set-top box) and DVD, regardless of the brand or model.

Learning functionality
Learning functionality refers to the process through which a remote control captures and stores infrared signals from other remotes for later use. When device codes are not included in the on-board database, they can always be learned from the original remote, simply by pointing to it.

Pre-programmed for Philips
If you have Philips equipment, you can use your universal remote control without programming it because all keys are pre-set for Philips.

Dedicated SKY keys
Specially labelled function keys on the remote control make operating your SKY digital set-top box easier than ever before.

Chrome finish
Stylish chrome finish that looks good and complements the latest equipment design.

Splash and shock resistant
The tough housing can withstand splashes and spilled drinks, and is able to withstand a drop of at least one meter onto a hard floor.

Battery-low indication
To know in time when the batteries need to be recharged or replaced.

Auto brand search
Getting your new remote control working is simply a case of having your remote automatically search for the most suitable code for your equipment.
