Highlights

Best friend for netbook

The perfect accompaniment for your netbook and notebook, so you can play multimedia music and videos with great sound quality.

Easy click-and-go portability

Small size, big sound! With convenient wraparound cable management and a single USB plug for power and play, these two highly sensitive neodymium speakers slot together for click-and-go portability when you are on the go.

Bass vent technology

In a small casing but with a big sound, from better bass vent technology. Just one USB cable connects to your netbook or notebook for simple plug-and-play.

USB plug for power and play
With plug-and-play convenience, the USB cable plugs directly into any USB port and your notebook automatically recognizes this as a removable USB mass storage device.
