Highlights

Waterproof and ready to go

This portable Bluetooth speaker is IPX7-rated—which means it can withstand total immersion in water up to 1 m deep for up to 30 minutes. You can party in the shower, by the pool, or even in the pool! The wireless range is 20 m.

20 hours play time

The 4400 mAh rechargeable Li-ion battery gives you 20 hours of play time and you can charge your smart device via the speaker's USB port. A full charge of the battery takes 6 hours.

Play it loud. Pair for stereo

Twin passive radiators deliver strong bass and sound stays clear even at high volume. Want to make the party even bigger? Pair with an identical speaker for stereo sound. LED lights at each end of the speaker flash to the tunes.

Audio-in for easy connection

Want to connect to an external audio source like a turntable or MP3 player? The audio-in socket at the back of the speaker lets you connect to almost any electronic device.
