## Compliance

#### This apparatus includes this label:

Note

The type plate is located on the bottom of the product.

### Care of the environment

#### Environmental information

All unnecessary packaging has been omitted. We have tried to make the packaging easy to separate into three materials: cardboard (box), polystyrene foam (buffer) and polyethylene (bags, protective foam sheet.)

Your system consists of materials which can be recycled and reused if disassembled by a specialized company. Please observe the local regulations regarding the disposal of packaging materials, and old equipment.

#### Recycling the product and the built-in battery

Your product is designed and manufactured with high quality materials and components, which can be recycled and reused.

Never dispose of your product with other household waste. Please inform yourself about the local rules on the separate collection of electrical and electronic products and batteries.

The correct disposal of these products helps prevent potentially negative consequences on the environment and human health.

Please visit www.recycle.philips.com for additional information on a recycling center in your area.

· Removal of the built-in battery invalidates the warranty and can destroy the product.

Always bring your product to a professional to remove the built-in battery.

## 7 Troubleshooting

#### Warning

Risk of electric shock. Never remove the casing of the player.

To keep the warranty valid, never try to repair the system yourself.

If you encounter problems when using the player, check the following points before requesting service. If the problem remains unsolved, register your player and get support at www.philips.com/support.When you contact Philips, ensure that your apparatus is nearby and the model number and serial number are available.

#### No power

- Ensure that both plugs of the mains cord are properly connected.
- Ensure that there is power at the AC outlet.
- · Check if the built-in battery is drained.

#### No sound

Ensure that the AV cable is connected correctly.

#### No response to the remote control

- Ensure that the path between the remote control and the player is clear from obstacles.
- From a close distance, point the remote control directly at the player.
- · Replace the remote control batteries.
- The function does not work for this disc. Refer to the disc instructions.

#### Distorted picture

- Clean the disc. With a clean, soft, lint-free cloth, wipe the disc outwards from the center.
- Make sure that the video output format of the disc is compatible with the TV.
- Change the video output format to match your TV or program.
- The LCD is manufactured using high precision technology. You may, however, see tiny black points and/or bright points(red, blue, green) that continuously appear on the LCD. This is a normal result of the manufacturing process and does not indicate a malfunction.

#### Cannot play disc

- Ensure the disc label is upwards.
- Clean the disc. With a clean, soft, lint-free cloth, wipe the disc outwards from the center.

Check if the disc is defective by trying another disc.

#### No response to operating commands

The operation is not permitted by the disc.

### Not work properly or freeze up

Press **RESET** with a ball-point pen or similar tool to switch off the player, and press 0 to restart.

#### The player feels warm

When the player is in use for a long period of time, its surface will be heated. This is normal

### No/weak signal displayed on the screen

- TV signal is too weak or out of TV signal covering area.
- Make sure you are in an area with sufficient coverage.
- Connect to your home TV antenna socket.
- Receiving TV in a driving car may cause signal problems.

#### TV reception with Black and White picture or no sound

Ensure that you set the TV format correctly according to local TV broadcast specifications. If you do not know the information, contact local TV broadcast authorities for help.

#### Philips Electronics Australia Limited and Philips New Zealand Limited Warranty against Defects

In this warranty:

We or us means Philips Electronics Australia Limited ACN 008 445 743 or Philips New Zealand Limited (Company Number 1723), and our contact details are set out at the end of this warranty:

You means the purchaser or the original end-user of the Goods:

Supplier means the authorised distributor or retailer of the Goods that sold you the Goods in Australia or New Zealand: and

Goods means the product or equipment which was accompanied by this warranty and purchased in Australia or New Zealand

If you require assistance with the operation of the product, its features or specifications please call the Philips Consumer Care Centre on 1300 363 391 in Australia or 0800 658 224 in New Zealand.

Australia: Our Goods come with quarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the Goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. This is not a complete statement of your legal rights as a consumer.

New Zealand: Our Goods come with guarantees that cannot be excluded under the Consumer Guarantees Act 1993. This guarantee applies in addition to the conditions and guarantees implied by that legislation.

In addition to the rights and remedies that you have under the Australian Consumer I aw. Consumer Guarantees Act of New Zealand or any other applicable law, we provide the following warranty against defects:

- 1. If, during the first 12 months from their date of purchase from the Supplier (Warranty Period), the Goods prove defective by reason of improper workmanship or materials and none of your statutory rights or remedies apply, we will repair or replace the Goods without charge.
- 2. We do not have to repair or replace the Goods under this Additional Warranty if the Goods have been used for a commercial purpose: misused, improperly or inappropriately installed, operated or repaired; abused; damaged; or not maintained in accordance with the manufacturer's instructions.
- 3 Even when we do not have to repair or replace the Goods, we may decide to do so anyway. In some cases, we may decide to substitute the Goods with a similar alternative product of our choosing. All such decisions are at our absolute discretion.
- 4 All such repaired, replaced or substituted Goods continue to receive the benefit of this Additional Warranty for the time remaining on the original Warranty Period.
- 5. This Additional Warranty is limited to repair, replacement or substitution only. As far as the law permits, we will not be liable for any loss or damage caused to property or persons arising from any cause whatsoever.
- 6. In order to claim under this Additional Warranty you must telephone us on 1300 363 391 in Australia or 0800 658 224 in New Zealand within the Warranty Period. You will be asked for details of the Goods, a description of the defect and your personal details. Upon accepting your claim, we shall assist you with either returning the Goods to the Supplier for replacement or to the most convenient Philips Authorised Service Centre for your Goods to be repaired. In some case we may require that you return to the Goods to us (at the address below) for repair. replacement or substitution.
  - \* All returned Goods must be accompanied by satisfactory proof of purchase which clearly indicates the name and address of the Supplier, the date and place of purchase and identifies product. It is best to provide a legible and unmodified receipt or sales invoice
  - \* You must bear any expense for return of the Goods or otherwise associated with making your claim under this Additional Warranty.
- 7. This warranty is only valid and enforceable in Australia and New Zealand.

Contact us or the place of purchase for further details.
