Highlights

XHD sound

No matter where you are, you can have a phone conversation that is free from noise, with incredible loudness and sound purity in the voice. Thanks to a high-quality speaker, sophisticated technology and to a real acoustic chamber, you can enjoy the unbelievable sound quality in every phone conversation.

Enhanced speakerphone

Combine a high-quality speaker, sophisticated signal processing, a real acoustic chamber and full duplex hands-free and you'll get the most natural reproduction of a conversation. Both sides can speak and be heard at the same time, as in a face-to-face conversation.
