Product highlights

6in1 remote control

Replace a table full of remote controls with one robust unit that'll operate your TV, VCR, satellite receiver, digital or cable set-top box (STB), DVD, CD player and amplifier/receiver regardless of the brand or model.

Pre-programmed for Philips

If you have Philips equipment, you can use your universal remote control without programming it because all keys are pre-set for Philips.

Chrome finish

Stylish chrome finish that looks good and complements the latest equipment design.

Dedicated menu keys

Dedicated keys to move easily around your equipment's menus mean simple one finger operation without having to press shift or function shift keys

Device mode indicator

Small lights keep you informed about which device mode is currently active.

Battery-low indication

To know in time when the batteries need to be recharged or replaced.

Auto brand search

Getting your new remote control working is simply a case of having your remote automatically search for the most suitable code for your equipment.
