- Cable length: 120 cm

Highlights

A great spare or replacement

Carry it with you, keep it at your desk, or replace the one you lost so you're always able to connect and charge when you need to.

Works with your USB chargers

Works with any of your existing USB-based power sources – wall, auto or computer – for convenient charging when you need it.

A great spare or replacement

A great spare or replacement of Apple Lightning cable

Sync and charge cable included

The included 30-pin to USB cable is essential for syncing your iPhone or iPod with iTunes, and for charging via your computer or USB charger. Carry it with you, keep it at your desk, or replace the one you lost so you're always able to connect and charge when you need to.

USB type C connector

USB type C connector for high speed charging with your latest Type C compatible devices
