# Highlights

## Richer sound

The crackle of laser-fire. The roar of a crowd. Two channels bring new levels of sound to your favourite movies and shows. The compact, wireless subwoofer delivers satisfying bass. Explosions will rumble and music sounds full.

## Ready for your favourite tunes

Movie over? Time for a post-series-finale discussion? Once the on-screen drama has ended, switch the soundbar to Bluetooth and cue up a playlist. Or play your tunes straight from the audio-in port. You'll enjoy the same richer sound, whatever you love to listen to.

## Distinctive design

This soundbar boasts a beautifully simple design and low profile. When it comes to placement, the integrated wall brackets keep your options open. The compact design of the powerful sub-woofer makes it easy to conceal.

## Bluetooth connectivity

Bluetooth. Stream music with bigger sound
