Highlights

Soft ear and headband cushions

The durable and soft materials used for the ear cushions and headband cushion of these Philips headphones ensure comfortable prolonged use.

3-way adjustable ear shells

Enjoy a comfortable fit and experience better bass performance thanks to the three-way adjustable ear shells that fit naturally around your ears.

40 mm speaker driver

The 40 mm speaker driver is made of a composite Mylar material for a highly sensitive yet powerful element that delivers sound without audible distortion.

FM Wireless transmission

With high-frequency FM wireless transmission, which can even pass through walls, you can even listen to your music when you're in another room.
