Highlights

8 GB storage capacity

A useful 8 GB gives you the capacity to swap and share much larger or more files via the USB port of your PC or laptop.

Fast data transfer USB 3.0

High-speed data transfer rates significantly cut annoying waiting time when you are copying large multimedia files to or from your computer's hard disk.

Stylish USB design

A premium USB flash drive with high-glossy white body and completed with a glossy colourful metallic finish on the aluminium top cover, delivering superb protection for your valuable data and setting it apart from the ordinary.
