Highlights

Home entertainment zapper

With this zapper you can instantly control all the basic functions of your TV and DVD player / recorder, now it's much easier and much more fun to watch a DVD or zap through your TV channels.

Pre-programmed for Philips

If you have Philips equipment, you can use your universal remote control without programming it because all keys are pre-set for Philips.

Fun & Flat

Replace a table full of remote controls with a fun zapper that'll operate the basic functions of your TV, DVD and receiver, regardless of the brand or model.

Dedicated menu keys

Dedicated keys to move easily around your equipment's menus mean simple one finger operation without having to press shift or function shift keys

Battery-low indication

To know in time when the batteries need to be recharged or replaced.

Auto brand search

Getting your new remote control working is simply a case of having your remote automatically search for the most suitable code for your equipment.
