Enjoy powerful music wirelessly wherever you go

The Philips Portable CD Sound Machine is a powerful sound system you can take with you everywhere. It frees your music with wireless One-Touch NFC connectivity for effortless Bluetooth pairing. Or play back your tunes on USB, CD and MP3-CD.

Enjoy your music from different sources

- Stream music wirelessly via Bluetooth™ from your smartphone
- USB Direct for MP3 music playback
- Play MP3-CD, CD and CD-R/RW
- More music with Digital FM radio with 20 stations preset

Easy to use

- One-Touch with NFC-enabled smartphones for Bluetooth pairing
- Handy remote control for extra convenience
- CD Shuffle/Repeat for personalized music enjoyment
- 20-track CD programmable
- Stereo headphone jack for better personal music enjoyment

Powerful sound you can hear and feel

- Bass Reflex Speaker System delivers a powerful, deeper bass
- Dynamic Bass Boost for deep and dramatic sound

PHILIPS

Highlights

Stream music via Bluetooth™

Bluetooth is a short range wireless communication technology that is both robust and energy-efficient. The technology allows easy wireless connection to iPod/iPhone/iPad or other Bluetooth devices, such as smartphones, tablets or even laptops. So you can enjoy your favorite music, sound from video or game wireless on this speaker easily.

NFC technology

Pair Bluetooth devices easily with one-touch NFC (Near Field Communications)

technology. Just tap the NFC enabled smartphone or tablet on the NFC area of a speaker to turn the speaker on, start Bluetooth pairing, and begin streaming music.

USB Direct for MP3 music

USB Direct for MP3 music playback

Bass Reflex Speaker System

Bass Reflex Speaker System delivers a deep bass experience from a compact loudspeaker box system. It differs from a conventional loudspeaker box system in the addition of a bass pipe that is acoustically aligned to the woofer to optimize the low frequency roll-off of the system. The result is deeper controlled bass and lower distortion. The system works by resonating the air mass in the bass pipe to vibrate like a conventional woofer. Combined with the response of the woofer, the system

extends the overall low frequency sounds to create a whole new dimension of deep bass.

Handy remote control

With a handy remote control for greater convenience at your fingertips, all you have to do is sit back and relax.

Specifications

Audio playback

- Playback media: CD, CD-R, CD-RW, MP3-CD
- Disc playback modes: fast forward/backward, next/previous album search, next/previous track search, repeat/shuffle/program
