Convenience

- Child Protection: Parental Control, Child Lock
- On-Screen Display languages: English, Czech, Danish, Dutch, Finnish, French, German, Greek, Italian, Norwegian, Polish, Portuguese, Spanish, Swedish, Turkish

Power

- Power consumption: < 10 W
- Standby power consumption: < 0.5 W
- Power supply: 110-240V, 50/60 Hz

Accessories

- Included accessories: Remote Control, World Wide Warranty leaflet, User Manual, AAA Battery (x1)

Dimensions

- Set dimensions (W x H x D): 360 x 42 x 209 mm
- Packaging dimensions (W x H x D): 400 x 80 x 284 mm
- Set weight: 1.3 kg
- Weight incl. Packaging: 2.4 kg

Highlights

Multimedia DivX

Play CD, (S)VCD, DVD, DVD+- R/RW, DivX, MP3, WMA, JPEG

12-bit/108 MHz video processing

12-bit Video DAC is a superior Digital-to-Analogue Converter that preserves every detail of the authentic picture quality. It shows subtle shades and smoother graduation of colours, resulting in a more vibrant and natural picture. The limitations of the standard 10-bit DAC become particularly apparent when it is used with large screens and projectors.

192 kHz/24-bit audio DAC

192 kHz sampling enables you to have an accurate representation of the original sound curves. Together with a 24-bit resolution, more information is captured from the original analogue sound wave form, giving a much richer audio reproduction.

Screen Fit

Whatever you're watching, on whatever TV, Screen Fit ensures that the picture fills the whole screen. Annoying black bars on the top and bottom are eliminated, without any tedious manual adjustments to make. Simply press the Screen Fit button, choose the format and enjoy your movie in full screen
