# Highlights

## Folio-style case

The folio-style case protects your entire device, with a cover that easily opens to provide convenient access when you need it.

## Leatherette exterior

This case is made from an attractive and durable leather-like material, so it provides protection for your device – in style.

## Carrying case fits in a bag

Carry your device in the case for protection on the go, or use it for an added layer of protection inside your bag or backpack.

## Closure converts to a stand

The secure closure folds back to become a stand for convenient, hands-free viewing on any flat surface.
