- Built-in stereo speakers

Extra touches for your convenience

- Car adaptor and mounting strap included
- Full Resume on Power Loss
- AC/DC adapter included
- Stereo headphone jack for better personal music enjoyment

PHILIPS

Highlights

18 cm/7" TFT color LCD (16:9)

The color LCD display brings images to life, showing off your treasured photos, favorite movies and music with the same 'real life' rich detail and vibrant colors as high quality prints. The 16:9 widescreen aspect ratio is standard for universal to high-definition digital television. A native 16:9 aspect ratio means video display without bars at top and bottom of the picture and without the quality loss than comes from scaling, altering an image to fit on a different screen size.

Car adaptor and mounting strap

It comes with convenient in-car accessories to enhance your movie enjoyment on the road. A car adaptor allows you to power your portable DVD player using the cigarette charger, while a mounting strap allows you to attach the player to your car headrest for passenger viewing. Setting up a portable player has never been easier.

DVD, DVD+/-RW, (S)VCD, CD

The Philips Portable DVD player is compatible with most DVD and CD discs available in the market. DVD, DVD+/-R, DVD+/-RW, (S)VCD, and CD – all of them can play on the DVD

player. DVD+/-R is a shorthand term for a DVD drive that can accept both of the common recordable DVD formats. Likewise, DVD+/-RW handles both common rewritable disc types.

Dual TFT LCD display screens

Dual screens allow you to display same videos or images from the portable DVD players. Simply plug in and mount the screens on the headrests in your car. Now you can enjoy your favorite DVD movies and JPEG photos with family and friends at the backseats easily and comfortably.

Power Resume

The DVD-Video player remembers where you stop watching last time when it is powered off directly or when the power supply discontinued. If you did not switch to play another disc, your player will resume play where you have stopped the movie last time just by reloading the disc. Making your life a lot easier!

Specifications

Product dimensions

- Product dimensions (W x H x D):
19,7 x 6 x 15,4 cm
- Product dimensions (W x H x D):
7,8 x 2,4 x 6,1 inch
- Weight: 0,966 kg
