- Expand movie enjoyment with dual TFT LCD screens
- Built-in stereo speakers

Extra touches for your convenience

- Car adapter and mounting strap included
- Full Resume on Power Loss
- AC/DC adapter included
- Stereo headphone jack for better personal music enjoyment

PHILIPS

Highlights

18 cm/7" TFT colour LCD (16:9)

The colour LCD display brings images to life, showing off your treasured photos, favourite movies and music with the same 'real life' rich detail and vibrant colours as high quality prints. The 16:9 widescreen aspect ratio is standard for universal to high-definition digital television. A native 16:9 aspect ratio means video display without bars at the top and bottom of the picture and without the quality loss that comes from scaling, altering an image to fit on a different screen size.

MP3-CD, CD and CD-RW playback

MP3 is a revolutionary compression technology by which large digital music files can be made up to 10 times smaller without

radically degrading their audio quality. A single CD can store up to 10 hours of music.

DVD, DVD+/-RW, (S)VCD, CD

The Philips Portable DVD player is compatible with most DVD and CD discs available in the market. DVD, DVD+/-R, DVD+/-RW, (S)VCD and CD – all of them can play on the DVD player. DVD+/-R is a shorthand term for a DVD drive that can accept both of the common recordable DVD formats. Likewise, DVD+/-RW handles both common rewritable disc types.

Dual TFT LCD display screens

Dual screens allow you to display the same videos or images from the portable DVD

player. Simply plug in and mount the screens on the headrests in your car. Now you can enjoy your favourite DVD movies and JPEG photos with family and friends in the back seats easily and comfortably.

DivX Certified

With DivX[®] support, you are able to enjoy DivX encoded videos and movies from the Internet, including purchased Hollywood films. The DivX media format is an MPEG-4-based video compression technology that enables you to save large files like movies, trailers and music videos on media like CD-R/RW and DVD recordable discs, USB storage and other memory cards for playback on your DivX Certified[®] Philips device.

Power Resume

The DVD-Video player remembers where you last stopped watching both if it is powered off directly and if the power supply is discontinued. If you did not change to another disc, your player will resume play where you last stopped the movie just by reloading the disc—making your life a lot easier!

Specifications

Product dimensions

- Product dimensions (W x H x D):
20 x 15.5 x 5.5 cm
- Weight: 0.906 kg

Packaging dimensions

- Packaging dimensions (W x H x D):
36 x 29.5 x 7.2 cm
- Net weight: 1.254 kg
- Gross weight: 1.649 kg
- Tare weight: 0.395 kg
- EAN: 87 12581 53151 5
- Number of products included: 1
- Packaging type: Soother
- Type of shelf placement: Soother

Outer Carton

- Outer carton (L x W x H): 37 x 23 x 30.5 cm
- Net weight: 3.762 kg
- Gross weight: 5.282 kg
- Tare weight: 1.520 kg
- Number of consumer packages: 3

Picture/Display

- Display screen type: LCD TFT
- Diagonal screen size: 7 inch / 18 cm
- Resolution: 480(w) x 234(H) x 3(RGB)
