TAX4207/98

Kick the party off

Raise the roof of any party with this brilliant party light cube speaker! Powerful sound, big bass and an awesome party light take the party to the next level. Connect up to 50 speakers for a wall of light and sound.

Benefits

Get the party started right

- Powerful sound with extra heavy bass
- Party lights pulse and flash
- Connect easily via Bluetooth, USB or audio-in
- 2x 2" tweeters and a 6.5" bass driver

Rock the mic

- 2 mic inputs. Karaoke effects
- Dynamic bass boost for rich, deep bass
- Echo, female/male voice switch and vocal fader effects

Features

Extra bass. 12 hours play time

This awesome karaoke cube speaker will bathe the room in rich sounds and banging bass. The built-in battery lets you take the party outside for up to 12 hours play time on a single charge.

- Pair for stereo and play it loud

Shake the room

- Connect up to 50 speakers for a wall of sound
- 50 W RMS. 100 W max output power
- AC-powered. Built-in battery for 12 hours of play time
- Cube design with comfy handle. Dimensions: 30x31x30 cm

Party lightshow

Flashing party lights on the front of the cube pulse and flash, creating a brilliant lightshow. The back light will change color and pulse while the front light strobes.

PHILIPS

2 Karaoke mic inputs

2 mic inputs let you add your voice to the party with karaoke mode. Kick it up with echo, female/male voice switch and vocal fader voice effects. Both mics and effects have their own controls on the speaker.

Bluetooth, USB and audio-in

Connect any way you like. Stream your tunes via Bluetooth. Easily connect other devices via audio-in or USB. You can also connect to another speaker or amp using the line-out socket.
