Soundbar 3.1 with wireless subwoofer  
620W Max 3.1 CH wireless subwoofer, Dolby Atmos®, HDMI in & HDMI out (eARC)

TAB7807/74

# Highlights

## 3.1 channels. 8" subwoofer

Whether you're relaxing to your favourite playlist or surrounded by crackling lazer fire, this soundbar's 3.1 channels and wirelessly connecting, 8" powerful subwoofer immerse you in the action, surrounding you in rich, vibrant sound.

## Dolby Atmos 3.1

Three channels reproduce height as well as depth, creating a virtual three-dimensional surround sound. Whether it's spaceships flying overhead or the crowd in an arena, you'll feel the drama flow above and around you.

## Wider soundstage

Widen the sound! Two extra tweeter speakers at either end of the soundbar broaden the audio to give you a clear separation of instruments. Pick them out easily and hear every instrument in the orchestra like you're really in the hall!

## Stadium EQ Mode

Experience the excitement of live sports, right there in your living room. Stadium EQ Mode immerses you in ambient crowd noise, just like you were sitting in the stadium! Be thrilled by every crucial moment and still hear crystal-clear commentary.

## Connect your favourite sources

Stream via Bluetooth. Connect via Audio-in, Optical in or USB and enjoy amazing sound. HDMI pass-through for 4K and HDR video sources as well as Dolby Vision compatibility let you connect with no loss of video quality. An experience like no other!

## HDMI eARC

Lose nothing from the mix when you're immersed in the drama. This soundbar is compatible with HDMI eARC, a high-speed connection that lets you experience the full effect of advanced audio formats like Dolby Atmos.

## Philips Easylink

This fantastic soundbar features Philips Easylink technology for maximum ease and convenience. Whether you want to adjust the EQ modes, bass, treble, volume settings on your device or soundbar, only one remote control is needed!

## BT and USB connections

BT and USB connections. Optical in, Audio in, HDMI in
