Highlights

Easy setup

Ultimate convenience through easy set up.
Simplified installation - Plug & Play product

ECO+ mode

The ultimate mode to save transmitting power.

Extra loud sound

Extra loud sound for clear voice reproduction

Handset speakerphone

Handsfree mode uses a built-in loud speaker to amplify the voice of the caller, allowing you to speak and listen during a call without holding the phone to your ear. This is especially useful if you want to share the call with others or simply multitask.

Hearing aid compatible

Hearing aid compatible - reduces unwanted noise

Instant calling

Instantly call your loved ones via speed-dial keys

Large, easy to read display

Large display and easy to read characters

Optimized antenna layout

Our optimized antenna layout ensures strong and stable reception – even in areas of the house where cordless transmission is difficult. Now you can take a call wherever you are in

the house, and enjoy a long, uninterrupted conversation even as you walk around.

Up to 19 hours talk time

Up to 19 hours talk time on a single charge

Up to 45 min. recording

With up to 45 minutes recording time, you'll never miss an important message.
